

FLOWER & ICE

An Exhibit "On the Spot" - Map and Guide

Highland Park
Neighborhood Association
Rochester, New York

All this summer we are encouraging residents and visitors to "Picture the Neighborhood." Everyone is invited to take photos of our streets, people, pets, businesses, houses, gardens, parks or anything else will do. **Photos submitted to us before August 15th will be eligible for inclusion in our 2012 printed calendar which will be on-sale in September.** On June 25 and July 25, look for "Flower & Ice: On the Spot". At ten locations, shown on this map, look for a photo taken in 1991. When you tour this unique on-site display, we'd like to see your version of any of these scenes today. If you take photos at four (or more) of our stations and send them to us, you will be eligible for a prize.
